HTR

Tilt and Recline Chairs

Invacare® HTR Tilt and Recline Chairs are designed to meet the needs of patients who require support and positioning. Invacare's four models of the HTR tilt and recline chairs easily can be configured with accessories to fit the specific needs of the patient. These chairs are durable, yet provide superior comfort, support and positioning. Each model in the HTR line of chairs is built to last, and is easy to adjust and maintain. They also can be configured with a number of accessories, making them an excellent value for any long-term care facility that requires optimal positioning for patient care.
