Jabra BT500v

The next generation of the world's best-selling Bluetooth® headset!

Better than the best!

The Jabra BT500v is the next generation of the best-selling Bluetooth headset ever made. The Jabra BT500 has consistently been ranked one of the best performing headsets on the market and has won numerous awards. With the BT500v, Jabra has built on the strengths of this success to produce a headset that still gives you comfort and cutting-edge technology, so that you can communicate freely and naturally. It also provides you with a stylish look.

Extremely comfortable

If you want Bluetooth technology designed for all-day comfort, the Jabra BT500v is the perfect choice. It has been ergonomically designed to fit securely and comfortably behind the ear. At 20% lighter and 30% slimmer than its predecessors, the Jabra BT500v offers the ultimate in lightweight comfort for a Bluetooth headset.

High performance – and great usability

Jabra is not just about looking and feeling good. Our products offer state-of-the-art technology. Additional new features make the Jabra BT500v extremely easy to operate. Pairing with your mobile is now even easier with a one-touch pairing button. The multi-coloured LED keep you informed on your Bluetooth connection, charging status and battery status. With the vibrating alert, you silently know when a call is coming through. You also have the convenient option of charging directly from your PC via a USB cable.

The Jabra BT500v is the perfect choice for those who want a high-performance mobile headset that looks and feels great!

Quick start guide

Pairing the Jabra BT500v to a Bluetooth mobile phone

1. Charge your Jabra BT500v for approximately two hours and switch on by pressing the answer/end button **6**
2. Press the pairing button, marked **3** to put the Jabra BT500v in pairing mode (solid blue light)
3. Set your mobile phone to 'discover a Bluetooth device' (see your phone user guide)
4. Press Yes or OK when asked if you want to pair the phone with the Jabra BT500v
5. Enter passkey or PIN = 0000 (4 zeros), then press Yes or OK
6. Your phone will confirm when pairing is complete and the LED will start flashing
7. Start enjoying life hands-free!

Basic functions

Making a call

Just dial the number on your phone's keypad and press send. Once the call goes through it will automatically transfer to your headset (subject to phone settings).

Answering and ending a call

Tap the answer/end button on your headset to answer a call. To end your call, just tap the answer/end button.

Muting a call

To mute, press volume up and volume down at the same time. A low beep will play while call is muted. To disable mute, tap either of the volume buttons.
