

Sometimes your workload is
out of hand.

Sometimes it's not.

Lexmark **X772e**

An intuitive colour MFP for
your demanding workgroup!

Big touch-screen simplicity

The intuitive, incredibly large colour touch-screen gives you fast, user-friendly access to vivid colour output and productivity tools.

Up to 24 ppm in colour

**Brilliant colour
and business versatility unit**

**The most complete of
cost-control tools on the market!**

Advanced workflow solutions

With its embedded-solutions framework, you can benefit from Lexmark's industry-leading applications without weighing down your network.

Top-notch security

Includes the latest features to help you strengthen security at every level, from production and data transmission to colour-access restrictions.
