

G-0200 and G-0400 WATER SHIELD

Installation Instructions

When stacking on a G-0200 or a G-0400, the water shield (reference P/N 6670014) must be located over the control box, as shown in the illustration below. **NOTE:** there is an alternate water shield included with this kit which is to be used when stacking onto an E-0200, H-0200, or E-0400 series ice machine.
