Press **ERASE** twice while listening to the message you want to erase.

Erasing all of the recorded messages

- 1 Press **ERASE**.
 スベテ ショウキョシマスカ?
 [ERASE] オス
- 2 Press **ERASE**.

Operating the answering device from a remote location

Preparation: Programming the remote operation ID

1. Press **MENU**.
2. Press **# 0 0 6**.
3. Enter any 4-digit number (remote operation ID) except * or #.

Example : アソシヨウ No. = 1234
 [4ケタ, SET] オス

4. Press **SET**.
5. Press **STOP**.

Operation: Listening to a recorded message from a remote location

Turn the **ANSWER ON** light on before you go out. Remote operations are available only from a touch tone telephone.

1. Call your unit.
2. Enter the remote operation ID during the greeting message.
3. Press **2** or wait 4 seconds.
 - Only the new recorded messages will be played back.
 - To listen to all the recorded messages, press **4** after the new messages have been played back.

Individual e-mail services

Using the e-mail services

Panasonic Communications Co., Ltd. (hereafter called "PCC") offers individual information services, such as e-mail.

Your fax machine with e-mail features will enable you to send an e-mail to another party's personal computer (PC) or another e-mail fax machine anywhere in the world through the Internet. Also, you will be able to receive an e-mail from them.

To access the Internet using your fax machine,

- you need a credit card (VISA, JCB or MASTER as of August 2003) and
- have to subscribe to individual information services offered by PCC beforehand.

The application fee including call charges will be charged to your Credit Card.

Important:

- If your fax machine is connected to a home telephone system or a private branch exchange (PBX) system, these services are not available.

Application fee and call charges

PCC information services	Registration fee	¥500
	Information Service fee (Call charge included)	¥20/minute (8 am-11 pm) ¥18.5/minute (11 pm-8 am)

- As of August 2003.
- Tax not included.

PCC information services

The following services are available with your fax machine. The information service fee including the call charge will be applied.

- E-mail reception and printing (page 17)
- Text e-mail sending (page 18)
- Fax e-mail sending (page 18)
- Others

Note:

- PCC plans to add new information services and the information service fee is subject to change. PCC will announce them by e-mail to its customers.
- For the PC user to view your fax e-mail sent from your fax machine, the following PC software will be required.
 - E-mail software that can read the MIME format
 - TIFF viewer software

Subscribing to PCC information services

1 Fill in the included application form.

2 Press , then press .

3 Press .

4 Enter your 16-digit credit card number.

- To correct a mistake, press .

5 Press .

6 Enter your credit card number again, then press .

Individual e-mail services

7 Enter the valid date of your credit card.

8 Press .

9 Insert the application form FACE DOWN.

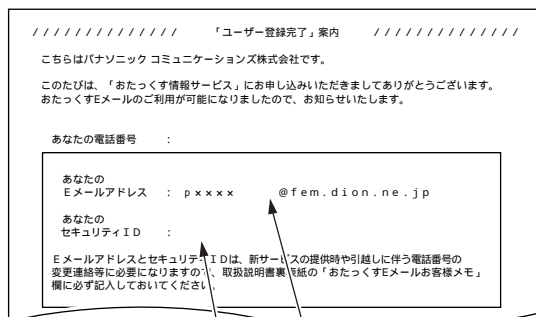

10 Press .

- The unit will start fax transmission.

11 After approx. 5 minutes, the unit will ring, and a data communication will start automatically between your unit and PCC.

- If you answer this call, wait for a while until the communication is completed.

12 When the communication is completed, a user registration form will be printed.

Your e-mail address
Your security ID code

- Please save the address and ID code for future reference.

13 Press .

14 Press .

- An information service guide will be printed.

Receiving and printing an e-mail

1 Press .

2 Press .

- If there is an e-mail you have not viewed yet, the unit will print the received e-mail.
- If there is no e-mail, the following will be displayed.

ミシ ュシヨメール 0ケン

The file formats recognized by your fax machine are:

- JPEG •~. doc
 - TIFF •~. xls
 - BMP •~. ppt
 - TXT •~. pdf
- (as of August 2003)

Individual e-mail services

Sending a text e-mail from the main unit

1 Press .

2 Press repeatedly until the following is displayed.

モシ Eメール ソウジン
[SET] オス

3 Press .
