- **Cable length:** 4 m
- **Type of cable:** LC-OFC
- **Cable Connection:** One-sided
- Detachable cable

### Accessories

- **Adaptor plug:** 3.5-6.3 mm

## Product highlights

### 50 mm speaker driver

The 40 mm speaker driver combines the sensitivity of composite mylar material with the power of neodymium for the magnetic circuit to deliver powerful, distortion-free sound.

### Detachable cable

A detachable cable is both convenient to store and easy to replace, so there is no need to buy a new headphone if the cable ever breaks.

### Headphone stand

Simply hang up your headphone when you do not use it.

### LC-OFC cable

The extremely pure copper used for this cable minimizes transmission losses and delivers superb signal quality to the headphone, and pure sound to your ears.

### Self adjusting inner headband

The inner headband makes it easy to obtain a perfect fit for your head. The mechanism adjusts automatically for comfort.

### Single-sided cable

The cable is conveniently connected to just one side, considerably reducing the risk of tangling and simplifying winding the cable up for storage.

### Ultimate wearing comfort

The soft velvet ear cushions and ergonomically-shaped ear shells enhance comfort for your prolonged audio enjoyment.

### 4 meter detachable cable

A detachable cable is both convenient to store and easy to replace, so there is no need to buy a new headphone if the cable ever breaks.
