Product highlights

800 DPI accurate reactions

With 800DPI, this mouse provides accurate reactions. The cursor will move exactly where you want it. It's all thanks to the high-definition optical sensor that registers even the smallest movements. Giving you complete cursor control.

Precise optical sensor

Philips optical technology ensures extra accuracy and responsiveness. You can work with it on most surfaces, including wood, plastic or paper.

Left- and right-handed

The mouse is designed for optimal comfort and control and is equally comfortable for both left- and right-handed users.
