Product highlights

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Metal shell

The metal shell protects the internal connection of the cable. It ensures durability and the reliability of your connection.

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Plug and play

Plug and play offers easy installation of components without time-consuming installations.

Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.

Fiber Optics

Strands of optically pure glass as thin as a human hair carry digital information to your components for uncompromised sound.
