

#### Features

Component Video Input (Y Pr Pb) on rear allows a single device with Y Pr Pb outputs (such as a DVD player, or a satellite receiver) to be connected.

Connections for 1 rear L+R+V device (when Component Video input unused), plus 1 set of front L+R+V inputs with S-Video input.

Favorite List

Digital 3-Line Comb Filter

Electronic On-Screen Notepad

On-Screen Clock, Sleep, and Wake Timers

Front Panel Lock

#### Benefits

Improves video quality by separating the signal into 3 video connectors. Provides more vibrant, sharper images compared to single video inputs.

Simplifies connecting other devices such as a game system, digital camera, or VCR.

Allows selection of up to 5 channels to be programmed into a favorite list which is selectable with one button on the remote.

Separates black-and-white detail from color information to virtually eliminate edge crawls and rainbow effects while enhancing picture resolution.

Provides on-screen message reminder. Programmed message pops-up at selected time, or if no time selected, the next time TV is powered on.

TV can be programmed to turn on or turn off at preselected time periods for added convenience. Wake up to your favorite morning show.

Allows disabling of front panel controls to prevent small children from changing settings.

# 27V520T
