MODEL: RLCDV3282A

Contents

Caution

The lightening flash with arrowhead symbol, within an equilateral triangle is intended to alert the user to the presence of un-insulated "dangerous voltage" within the products enclosure that may be of sufficient magnitude to constitute a risk of electric shock to the persons.

The exclamation point within an equilateral triangle is intend to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

Correct disposal of this Product
(Waste Electrical & Electronic Equipment (WEEE)
Your product is designed and manufactured with high quality materials and components which can be recycled and reused.
This symbol means that electrical and electronic equipment, at their end-of-life should be disposed of separately from your household waste.
Please dispose of this equipment at your local community waste collection/recycling centre.
In the USA there are separate collection systems for used electrical and electronic products. Please help us to conserve the environment we live in!
This unit complies with America Safety directives.

This unit complies with FCC directives.

2

Safety Information

To ensure reliable and safe operation of this equipment, please read carefully all the instructions in this user guide, especially the safety information below.

Electrical safety

• To prevent overload, don't share the same mains supply socket with too many other items of equipment.
  -Do not place any connecting wires where they may be stepped on or tripped over.
  -Do not place heavy items on the leads, which may damage them.
  -Hold the Mains plug, not the wires, when removing from a socket.
  -During a thunderstorm or while leaving the TV for long periods, disconnect the aerial (if outdoor) and mains power from the supply.
  -Do not allow water or moisture to enter the TV . Do NOT use in wet or moist areas such as Bathrooms, steamy kitchens or near swimming pools.

• Pull the plug out immediately, and seek professional help if:
  -the mains plug or cable is damaged
  -liquid is spilt onto the set, or if it is accidentally exposed to water or moisture
  -anything accidentally penetrates the ventilation slots
  -the set does not work normally.
  -Do NOT remove the safety covers. There are no user serviceable parts inside. You may invalidate the warranty. Qualified personnel only are permitted to service this apparatus.
  -To avoid battery leakage, remove exhausted batteries from the remote control handset, or when not using for along period.
  -Do NOT break open or throw exhausted batteries on a fire.

Physical safety
• Do NOT block ventilation slots in the back cover. You may place the TV in a cabinet, but ensure at least 5cm (2") clearance all around the unit.
• Do NOT tap or shake the TV screen, you may damage the internal circuitry. Take good care of the remote control, do not drop it or allow it to come into contact with liquids.
• To clean the TV use a soft dry cloth. Do NOT use solvents or petrol based fluids. For stubborn stains, you may use a damp soft cloth with diluted detergent.

3. Instruction for Wall Mount

The wall mount kit (not included) with your purchase allows you to mount your RCA TV on the wall. For detailed information on installing the wall mount, refer to the instructions provided by the wall mount manufacturer. It is strongly recommended to contact a technician for professional assistance for wall mount installation. RCA is not responsible for any damage to the product or injury to yourself or others resulting from the wall-mounting.

Dimensions for Mounting Hole Pattern
- This RCA TV is compatible with a 400mm x 200mm mounting hole pattern.

- 4 pcs of type M6 screws are required for installing the wall mount bracket to your RCA TV. Do not use screws that are longer than 10 mm. Screws that are too long may cause damage to the inside of the TV set.

- Do not fasten the screws too tight for this may damage the TV or cause the TV to fall, resulting in personal injury. RCA is not liable for these kinds of incidents

- Do not mount your RCA TV at more than a 15 degree tilt.

- Always use two people to mount the TV to a wall.

- Do not install your Wall Mount Kit while your TV is turned on. It may result in personal injury due to electric shock.

7

4. Remote Control

The remote control is using Infra-Red(IR). Point it towards the front of the LCD TV. The remote control may not work correctly if it is operated out of range or out of angle.

Simple Troubleshooting

If the TV has failed or its performance has seriously deteriorated, check the TV by using the following simple troubleshooting guide.

If you can not resolve the problem with this troubleshooting, please call RCA Technical Support.

No power
- Check all power connections to the TV.
- Press either the power button or the Standby button on the Remote control.

No picture or sound
- Ensure that the TV is plugged in and the power is on.
- Ensure that the antenna is connected.
- Try a different program.

Poor picture quality
- Check the antenna connections.
- Check if the channel is tuned in properly.
- Adjust the picture settings: brightness, color, sharpness, contrast, or hue.
- Make sure that the TV is not located close to electrical appliances that may emit radio frequency interference.

No color
- Adjust the color setting.
- Check if the program is color.
- Check if the cannel is tuned properly.

TV does not respond to remote control
- Check if no obstruction is between the remote control and the unit.
- Check if the remote control is within the range of operation.
- Check if the batteries in the remote control is weak or exhausted.

This TV is for household use and registered as harmless on electromagnetic waves.

LIMITED PRODUCT WARRANTY
RCA CANADA TV

EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, THIS WARRANTY
DOES NOT COVER, AND AS DESCRIBED BELOW CURTIS INTERNATIONAL LTD EXPRESSLY DISCLAIMS, ALL ACTUAL AND
IMPLIED WARRANTIES AND CONDITIONS WITH RESPECT TO ANY PRODUCT USED FOR INSTITUTIONAL OR OTHER
COMMERCIAL PURPOSES (INCLUDING BUT NOT LIMITED TO RENTAL PURPOSES).

What your warranty covers:
• Defects in materials or workmanship to the original purchaser.

For how long after purchase:
• One year parts and labor.

What Curtis International Ltd. will do:
• At Curtis's discretion, pay an Authorized Curtis Service Centre for both labor charges and parts to repair your television, or replace your television with a new or refurbished/remanufactured unit. **See "How to get service"**

How to get service:
• Call **1-800-968-9853**. Please have your unit's date of purchase and model/serial number ready. The model/serial number information can be found on the back of your unit.
• A representative will troubleshoot your problem over the phone.
• If it is determined that your unit requires service, the service location will be at the sole discretion of Curtis based upon the Curtis Limited Warranty statement.
• At the sole discretion of Curtis, Televisions are either consumer carry-in to an Authorized Curtis Service Centre or directly exchanged for a new or refurbished/remanufactured unit.
• Proof of purchase in the form of an original bill of sale or receipted invoice from an Authorized Dealer which is evidence that the product is within the warranty period must be presented to obtain warranty service.

Your warranty does not cover damages which are caused by:
• Fire, accident, lightening, flood and/or other acts of God;
• Faulty installation, set-up adjustments, improper antenna, inadequate signal reception, adjustment of consumer controls and/or improper maintenance; and/or
• Failure which results from misuse, abuse, neglect, mishandling, misapplication, and/or alteration.

What your warranty does not cover:
• Customer instruction (Your Owner's Manual describes how to install, adjust, and operate your unit. Any additional information should be obtained from your dealer);
• Transportation cost to and from the Service Centre (Unless you have made other arrangements with your dealer at the time of purchase whereby he undertakes this responsibility);
• Installation and set-up service adjustments;
• Products connected otherwise than as outlined in the Owner's Manual;
• Products on which the serial number has been altered or removed;
• External antenna or cable systems;
• Remote control & batteries;

• A television that has been modified or incorporated into other products or is used for institutional or other commercial purposes (including but not limited to rental purposes);
• A unit purchased or serviced outside Canada;
• Special, incidental or consequential damages; and/or
• Normal wear or cosmetic damage.

If you purchased your unit outside of Canada:
• This warranty does not apply. Contact your dealer for warranty information.
