# SANUS|SYSTEMS

FFMF2A

Thank you for choosing the Sanus Systems FFMF2A flat panel foundation mount. The Sanus Systems FFMF2A flat panel foundation mount is designed to support a flat panel monitor weighing up to 31 kg (70 lbs). The lower shelves each support additional equipment weighing up to 11 kg (25 lbs). Hardware for multiple mounting configurations is included.

⚠ **WARNING**

This product contains small items that could be a choking hazard if swallowed. Keep these items away from young children!

⚠ **CAUTION**

Do not use this product for any purpose not explicitly specified by Sanus Systems. Improper installation or use may cause personal injury and/or property damage. If you do not understand these instructions, or if you have doubts about the safety of the installation, contact Sanus Systems Customer Service. Sanus Systems is not liable for injury or damage caused by incorrect installation or use.
OPT Hardware and procedures for multiple mounting configurations are included. When you see this symbol, choose the correct configuration to suit your needs. Not all hardware included will be used.
Supplied Parts and Hardware

Before starting assembly, verify all parts are included and undamaged. If any parts are missing or damaged, do not return the item to your dealer; contact Sanus Systems Customer Service. Never use damaged parts!
