

# Words understood by the AIBO® Entertainment Robot

In the following cases, the AIBO robot may not understand what you say.

- While the AIBO robot is emitting sounds or moving, it cannot hear you easily.
- The AIBO robot may not recognize several words depending on its mode or condition.
- Even though the AIBO robot understands you, it may choose not to respond or do as you say.
- The AIBO robot cannot hear you if its surroundings are noisy.
- If you say a word whose pronunciation is unclear, the AIBO robot cannot recognize it. Speak very clearly.
- If you repeat the same command over and over in rapid fire fashion, the AIBO robot will not understand you.

## Calling the AIBO robot's name

*AIBO./Registered name (the name you gave AIBO).*

The AIBO robot reacts when it is called. Even after the AIBO robot learns its own name, it reacts when you call it "AIBO".

## Teaching the AIBO robot

*Name registration.*

Give a name to the AIBO robot.

*What's your name?*

The AIBO robot says the name you gave to it in its own voice.

*Owner registration.*

You can teach the AIBO robot its owner's (your) name.

*What's your owner's name?*

The AIBO robot says its owner's name (your name) in its own voice.

*Favorite thing registration.*

You can teach the AIBO robot to recognize your favorite things as its own favorite things.

## Praising, scolding, or encouraging the AIBO robot

*Good AIBO./Good boy./Good girl.*

These words are for praising the AIBO robot. They have the same effect as when you praise the AIBO robot by touching the sensors on the back of the AIBO robot.

*Don't do that.*

These words are for scolding the AIBO robot. They have the same effect as when you scold the AIBO robot by tapping the sensors on the back of the AIBO robot.

*Go for it.*

Encourage the AIBO robot.

*How cute.*

The AIBO robot will be bashful when you praise it.

## Greetings

*Good morning./Hello./Good night./Bye bye./Good bye./I'm here./*

*Say hello./Shake hands.*

## Self-charge

*Go to the Station.*

The AIBO robot starts the procedure for self-charging.

## Playing with the AIBOOne toy

*Find your AIBOOne.*

The AIBO robot looks for the AIBOOne toy.

*Bring me your AIBOOne.*

When you say this while the AIBO robot is holding the AIBOOne toy in its mouth, the AIBO robot comes to you.

## Playing with the ball

*Find your ball.*

The AIBO robot looks for the ball.

## Wake-up setting

*Set alarm.*

Lets you set the wake-up function ON or OFF.

## House Sitting mode

*See you later./House sitting mode*

The AIBO robot will look after the house while you are away.

*I'm here./I'm back*

The AIBO robot exits House Sitting mode.

## Communication between the AIBO robots

*Talk to your friend/Talk to your buddy*

The AIBO robot communicates with another AIBO robot.

## Moving

*Come here./Over here./Sit down./Stand up./Lay down./Turn right./Turn left./Walk around./Go forward./Go back.*

## Questions for the AIBO robot

*Are you sleepy?/Are you tired?/How are you?*

The AIBO robot shows its current condition with its face lights.

*Are you hungry?*

The AIBO robot shows the remaining battery power level by the number of face lights. The more lights are lit, the more power is still left.

*What's your AIBOne skill level?*

*What's your pink ball skill level?*

*What's your walking skill level?*

The AIBO robot shows its state of progress with the face lights.

## Special actions

*Let's dance.*

The AIBO robot shows you its dance repertoire.

## Pictures

*Take a picture.*

The AIBO robot takes a picture with its built-in camera.

*Snap shot*

If you say this to the AIBO robot while it is preparing to take a picture (while waiting for you to touch its head sensor), it will start counting down to take the picture.

*Send e-mail*

Sends the picture taken most recently to a set registered user.

## Message playback

*Check messages*

The AIBO robot plays back messages and sounds.

## Mail notification

*Check e-mail*

The AIBO robot tells you if you have new e-mail.

## Music playback

*Play music*

The AIBO robot starts playing music.

## Music CD playback

*Play CD*

The AIBO robot starts playing the first track of a music CD.

## Internet radio playback

*Play the radio*

The AIBO robot begins playing Internet radio.

## Contents playback

*Play contents*

The AIBO robot plays the content you have selected on your PC.

## Schedule playback

*My schedule*

The AIBO robot will read out your schedule for the current hour through the next day.

SONY

# ERS-7M2 Quick Guide

for AIBO MIND 2

## Start!

First insert the battery and AIBO MIND software "Memory Stick™" media into the AIBO® Entertainment Robot and set up the Energy Station.

### Open the cover.

Securely hold the body of the AIBO robot from above, turn it upside down, and open the stomach compartment cover.

### Insert the "Memory Stick" media into the AIBO robot.

With the arrow pointing down and the angled corner facing the AIBO robot's tail, insert the AIBO MIND software "Memory Stick" media into the AIBO robot until it is flush with the body.

### Insert the battery and close the cover.

Hold the battery with the connector facing downward, then insert it into the slot until you hear it click into place, and close the cover.

### Install the AC adapter cable and foot stopper.

Route the AC adapter cable along the wire guides and attach the foot stopper.

### Install the station marker and station pole.

Attach the station marker first, followed by the station pole. (If you don't want to use the self-charging function, these attachments are not necessary.)

### Charge the AIBO robot.

Plug the AC adapter into an AC outlet, and place the AIBO robot on the Energy Station. (For information on appropriate locations to place the Energy Station, refer to the "User's Guide (Basic)" for the AIBO robot ERS-7.)

### Place the AIBO robot on the floor in this position.

Place the AIBO robot on a flat, non-slippery surface, such as a low pile carpet with a hard nap.

### Press the Pause button.

The Pause mode ends and the operation light turns green. In a moment, the AIBO robot will automatically begin moving!
