Power (red), & Video (yellow)

## FEATURES OF THE CLEARVU6

### 8" Ultra Slim LCD

View your cameras live on the included monitor. You can even set the monitor to automatically cycle between both cameras.

### Hi-Res Indoor/Outdoor CCD Camera

The high quality CCD image sensor in this camera provides a clear, crisp and consistent picture at 420 TV lines of resolution. It also allows you to better distinguish facial features, which can help in the positive identification of individuals.

### IR Night Vision

These cameras come equipped with 12 infrared LEDs that allow you to see in the dark, up to 15 feet away!<sup>(1)</sup> They activate automatically when it gets dark, and deactivate during the day to save energy (CDS sensor).

### Weatherproof Camera

These cameras are built for the outdoors with professional grade weatherproof housing<sup>(2)</sup> and a sunshade.
