Question & Answer

Q&A

This chapter will attempt to troubleshoot common problems that one may experience with the Multimedia DPF. If this guide does not solve your problem, do not dismantle the machine yourself.

Question	Answer
What memory cards are compatible with the digital frame?	Secure Digital Card (SD)/MultiMedia Card (MMC)/XD/Memory Stick.
Does Multimedia Digital Photo Frame have built-in memory?	Yes. The player has an internal memory to store media file. You can store 15 pictures at most.
What is the best picture resolution displayed on the screen?	The player's best resolution is 480 X 234.
Can I rotate a picture on the screen?	Yes. Use the ROTATE button on the remote control to rotate a picture. Note: The rotated picture will return to its original orientation after you power off the digital frame.
Can I adjust the colors of the picture?	No. All color settings are preset at the factory. You can only adjust the brightness and contrast of the screen.
Why Digital picture Frame does not advance to next picture?	1. There is only one picture in the frame. 2. You are viewing high -resolution pictures on the card, High-resolution pictures can take longer time to display. 3. You are in single picture display. 4. The next picture is damaged.
Why is only 15 pictures displayed?	Use the NEXT button to see next 15 pictures thumbnail.
Why picture display seems slow?	You are viewing high-resolution pictures, high- resolution pictures can take longer time to display.
Why Digital Picture Frame doesn't display any pictures?	Make sure the pictures are in JPEG format. Make sure you have inserted a card or USB device properly and selected the PHOTO icon in the main menu. Or make sure there are pictures in the internal memory and you have selected the FAVORITE icon in the main menu.
How can I see the file list?	Please set setup Menu-Photo Setting. Browse item to File Manger.

Customer Management

Troubleshooting

If you have any questions, please consult the troubleshooting guide below.
Some simple checks or a minor adjustment on your part may eliminate the
problem and quicky resolved .

No power	Ensure the power button is on Ensure the power cord is not damaged Ensure the power plug is connected firmly to the outlet
can not read WMA music	this unit only supports WMA with a bit rate: 64 Kbps - 192 bps,
Could not read the card	1. Please copy the content in your card to your PC, then format your card, then past your photos/music/movies in your card again, then insert the card to DPF to read it. 2. Ensure the card is not damaged 3. Ensure the card is connected to the DPF correctly 4. Ensure the card has content(photo/music/movie), if no content in card, the screen will display "no playable file" 5. Do not insert your card and USB together at same time. Otherwise one of the devices can not be recognized
Could not read the USB portable flash driver	Do not insert your card and USB together at same time. Otherwise one of the devices can not be recognized
Remote control not working	1. Ensure the batteries are inserted 2. Ensure the batteries "protective plastic" is pulled out.

FCC and Safety Information

(please copy and past these texts. Wording is mostly okay, but punctuation is wrong. If these words were obtained from a legal document please check the spots where I have changed the text, as there were errors, but i do not want to mis-handle legal information)

FCC Part 15.19

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cuase harmful interference, and (2) this device must accept any interface received, including interference that may cause undesired operation.

FCC part 15.21

Warning: Changes or modifications to this unit not expressly described in this manual could make the product unusable, and void the user's authority to operate the equipment.

FCC part 15.105

Notes: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on circuit different form that to which the receiver is connected.
- Consult the dealer or an experienced radio TV technician for help.

LIMITED WARRANTY

The limited warranty set forth below is given by the manufacturer with respect to Sungale brand DPF players and other consumer electronics products purchased and used in the United States of America. The manufacturer warrants this product against defects in material or workmanship as follows:

LABOR: For a period of ninety (90) days from the date of purchase if this Product is ,defective, the manufacturer will repair or replace the Product, at its option, at no charge . After this ninety (90) days period up to one year, a labor charge of US$30.00 will be charged for each service.

PARTS: For a period of one year from the date of purchase, the manufacturer will supply, at no charge, new or rebuilt replacement parts in exchange for defective parts. After this one year period, the manufacturer will charge the new or replacement parts.

This warranty does not cover: (1) customer instruction, installation or set up; (2) cosmetic damage or damage due to accident, misuse, abuse, or negligence; (3) commercial use of the Product; (4) modification of any part of the Product; (5) damage due to improper operation, improper maintenance, or connection to an improper voltage supply; (6) damage due to an attempted repair of the Product by anyone other than a facility authorized by the manufacturer to service the Product; (7) consumables (such as fuses and batteries). This warranty is valid only in the United States.

The product must be accompanied by a copy of the original retail purchase receipt. If no proof of purchase is attached, the warranty will not be honored and repair cost will be charged.

This warranty is valid with attach written documentation detailing the complaint to the outside or inside of the carton.

This warranty is invalid if the factory applied serial number has been altered or removed from the Product.

The manufacturer reserves the right to modify any design of this product without prior notice.

To obtain warranty service, you must deliver the product freight prepaid, in either its original packaging or packaging affording an equal degree of protection, plus proof of purchase, to:

Service Center
13941 Central Ave,
Chino, CA 91710
Tel: **800-473-5156**

REPAIR OR REPLACEMENT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CONSUMER. THE SERVICE CENTER SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.
