MSRP**

2007 Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$620 for Cars and \$645 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX is \$50-55 higher for Trucks, Sienna and SUVs, and \$55 higher for all other Toyota vehicles. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.

Options*

All Models Options

Daytime Running Lights (DRL) with auto on/off feature

Rear DVD entertainment system with rear audio, two wireless headphones and 115V outlet

Rear audio system with wired headphones with wired headphone capability [10] and 115V outlet

JBL® 3-in1 AM/FM Cassette/6-disc in-dash CD changer with ten speakers

DVD navigation system [7] with JBL® AM/FM CD player and ten speakers

SR5 Packages and Options

Preferred Package #1:[6]

- Leather-trimmed interior seats and steering wheel
- Power-adjustable front captain's chairs with adjustable headrests
- Steering wheel-mounted audio controls

Preferred Package #2:[6]

- Leather-trimmed interior seats and steering wheel
- Power-adjustable heated front captain's chairs with adjustable headrests
- Steering wheel-mounted audio controls

Alloy Wheel Package #1:

- 16-in. 6-spoke aluminum alloy wheels with P265/70R16 tires
- Running boards
- Rear side door privacy glass
- 150-amp alternator
- Towing hitch receiver and wiring harness with 7-pin converter[5]

Alloy Wheel Package #2:

- 17-in. split 5-spoke aluminum alloy wheels with P265/65R17 tires
- Running boards
- Rear side door privacy glass
- 150-amp alternator
- Towing hitch receiver and wiring harness with 7-pin converter[5]

Convenience Package:

- Heated dual color-keyed power remote outside mirrors
- Accessory meter with compass, outside temperature, current and average fuel consumption, fuel range functions, and HomeLink® universal transceiver[8]

Appearance Package:[9]

- 16-in. 5-spoke aluminum alloy wheels
- Fog lamps
- Front skid plate

*This vehicle eBrochure is designed to identify vehicles commonly available in your area. If you would prefer to purchase a vehicle with no options or additional options, please contact your local dealer to check for current availability or the possibility of placing an order for such a vehicle.

- Second-row bucket seats with center console
- Power tilt/slide moonroof
- JBL® in front of 3-in-1 AM/FM Cassette with CD with ten speakers

Fog lamps

Roof rack

Rear side door privacy glass

Auto-dimming electrochromic rearview mirror with compass

Remote keyless entry system

JBL® 3-in-1 AM/FM Cassette/CD with ten speakers

16-in. styled steel wheels with P265/70R16 tires (2WD SR5 only)

Rear load-leveling suspension

Towing hitch receiver and wiring harness[5] with 7-pin converter

Power tilt/slide moonroof

Limited Packages and Options

Luxury Package

- Leather-trimmed second-row bucket seats with adjustable headrests
- Removable second-row center storage console with cup holders
- Unique wood-grain-style trim
- Memory driver's seat
- Power heated folding exterior mirrors
- Rear Height Control Air Suspension

Color-keyed rear spoiler

Rear Height Control Air Suspension

 **TOYOTA** | *moving forward* ▶

Specifications	4x2 SR5 (7910)	4x2 Limited (7914)	4x4 SR5 (7920)	4x4 Limited (7924)
Miles Per Gallon [15]	15/18			

Warranties

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Federal Emission Coverage: Components under the federal emission defect warranty are covered for 36 months/36,000 miles and specified major emission control components are covered for 8 years/80,000 miles. Specified major emission control components under emission performance warranty are also covered for 8 years/80,000 miles. In addition, emission performance warranty is applicable for 24 months/24,000 miles in states and local jurisdictions that require a periodic EPA-approved inspection and maintenance program.

California Emission Control Coverage: In California and any other state that adopts California emission warranty provisions, performance warranty and defect warranty coverage is applicable for 36 months/50,000 miles, and specific control devices are covered for 7 years/70,000 miles.

Accessories: Warranty coverage is for 12 months, regardless of mileage. If the part or accessory is installed during the New Vehicle Limited Warranty period, coverage is for 12 months or the remainder of the applicable warranty coverage, whichever is greater, with the exception of car covers, which are covered for 12 months only.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

In addition, there may be times when we will establish a special policy adjustment that will further defray repair costs. For details about the new vehicle limited warranty, see your Toyota dealer. And for complete details of Toyota's warranties, please refer to your Owner's Warranty.

Disclaimers

[1] Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

[2] 4-wheel Traction Control in 4WD mode only. Rear-wheel Traction Control in 2WD mode.

[3] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

[4] The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold. The side airbags and side curtain airbags are designed to deploy in certain types of severe side-impact collisions. The front and rear side curtain airbags are also Roll-Sensing Curtain Airbags (RSCA) and are designed to deploy at a severe tilt degree, roll or lateral G-force. In all other accidents, the airbags will not deploy. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your Owner's Manual for further instructions. Vehicle complies with "advanced airbag" requirements of FMVSS 208.

[5] Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions and cautions from your trailer hitch manufacturer and Toyota vehicle Owner's Manual. The maximum amount you can tow depends on the total weight of any cargo, occupants and optional equipment.

[6] Not available on models equipped with Appearance Package.

[7] The navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city or roadway. Periodic updates available at an additional cost. See your Navigation System Owner's Manual for further details.

[8] HomeLink® is a registered trademark of Johnson Controls, Inc.

[9] Not available on models equipped with Preferred Package #1 and #2.

[10] Requires JBL® AM/FM Cassette/CD with ten speakers, JBL® AM/FM Cassette/CD 6-disc in-dash changer or navigation system.

[11] Available with Appearance Package on SR5.

[12] Available with Luxury Package on Limited.

[13] Cargo and load capacity limited by weight and distribution.

[14] 127.9 cu. ft. with moonroof.
