

 **TOYOTA LANDCRUISER 70 SERIES**
oh what a *feeling!*

More powerful, still indestructible.

toyota.com.au

New engine, new look, the same legendary strength.

The LandCruiser 70 Series is just a further chapter in the LandCruiser legend that has been forged in the roughest rural, mining and construction projects across Australia. LandCruiser first proved itself on the slopes of the Snowy Mountains Hydro scheme where it began forging a name for itself in Australian folklore. Despite everything Aussies have thrown at it, LandCruiser keeps getting built stronger and stronger.

The work horses of the LandCruiser line-up now come with a new face and more muscle. They're known as the LandCruiser 70 Series and they have more power than ever before, courtesy of Toyota's first ever V8 turbo diesel. There's also a welcome new addition to the team in the form of a serious looking working 4 door Wagon.

Wagon GXL shown.

Cab Chassis GXL shown with optional Toyota Genuine tray body.

Troop Carrier GXL shown.

More power for even bigger workloads.

Under the skin, this new workhorse is powered by Toyota's first ever V8 turbo diesel, putting LandCruiser 70 even further ahead. With a capacity of 4.5 litres and the latest direct injection multi-valve diesel technology, it's an engine that will rewrite the rules of performance and efficiency. Power output has also lifted to a huge 151kW, which is over 20% more powerful than the previous class-leading LandCruiser 6 cylinder turbo-diesel. You'll also get real muscle to power through your workload easier, faster and more economically with a huge 430Nm of class-leading grunt. With fuel efficiency of just 11.5 litres/100km for the Cab Chassis and 11.9 litres/100km for the Troop Carrier and Wagon, LandCruiser 70 Series is one worker that's prepared to do more for less pay.*

The increased power is easily manageable thanks to LandCruiser's proven 5-speed manual transmission with high and low range, giving you the right ratios for climbing steep slopes and carrying heavy loads. As for the suspension, Toyota engineers have made a good thing even better by widening the front track. So LandCruiser is altogether a more stable, easier machine to drive even when loaded to the gunwales.

* Fuel consumption data ADR81/01 combined cycle (L/100km). Fuel consumption will vary depending on driving conditions/style, vehicle condition and options/accessories.

It goes almost anywhere, does almost everything.

Across the LandCruiser 70 Series range, you'll find a seating and cabin arrangement that can carry everything and everybody you want. The 2 or 3 seat Cab Chassis lets you choose the tray that best suits your line of work. Troop Carriers can haul 3, 5 or a whole army of 11 people. Or choose the new Wagon with comfort and space for 5 adults plus all their gear. The wide 60/40 rear barndoors on the Wagon and Troop Carrier make for easy loading and unloading of people and heavy gear.

Toyota Genuine Accessories.

For life on the land.

TOYOTA GENUINE ACCESSORIES ARE COVERED BY OUR TOYOTA WARRANTY*

Some Toyota Genuine Accessories are not applicable to all LandCruiser 70 Series models. See your Toyota Dealer for advice regarding Toyota Genuine Accessories. Pictured Accessories are all sold separately. For a comprehensive guide on the entire range of Toyota Genuine Accessories, visit our website at accessories.toyota.com.au.

*All Toyota Genuine Accessories purchased and fitted to a Toyota are warranted for the remainder of the New Vehicle Warranty or 12 months, whichever is greater. Toyota Genuine Accessories purchased from an authorised Toyota Dealer over the counter are warranted from the date of purchase for one year (unlimited kilometres). Conditions apply. All warranties are additional to the implied warranties under the Trade Practices Act 1974.

Wagon GXL shown.

Hard on the outside, easy on the inside.

Since you'll be doing long hours in your LandCruiser, it's good to know there are plenty of interior comforts going along for the ride. For those hot dusty days behind the wheel, air conditioning is optional on all models, while an MP3 compatible CD player and AM/FM radio comes standard so you can let the music work overtime on long hauls.

Whether you opt for the vinyl or fabric seating, the seats are built with deep cushioning and generous lumbar support to help soak up the bumps and reduce fatigue in tough going. GXL models are also kitted out with comforts like remote central locking and power windows to make them easier to get along with.
