

Matrix 2006

TOYOTA

When you drive the 2006 Toyota Matrix, you can't help but think of the possibilities.

Take the base model Matrix. With its available full-time 4WD, you can do practically anything, anywhere.

And look good doing it. Want something more sporty? Try the XR FWD with its 5-speed manual transmission, 16-inch aluminum wheels, coloured mirrors, door handles and side skirts. For the full bells-and-whistles treatment, go with the XRS and its 164 hp engine, 6-speed manual transmission and 17-inch wheels.

# Matrix06

**WHICHEVER YOU PICK, ALL FEATURE A CHAMELEON-LIKE ADAPTABILITY THAT'LL SURELY COME IN HANDY.**

*From left: Matrix shown in Phantom Grey Pearl. Matrix XRS shown in Silver Streak Mica with 17" aluminum alloy wheels. Matrix XR shown in Radiant Red.*

Above: Matrix XRS fabric interior shown in Dark Grey.

**IT'S SO READY FOR ANYTHING, IT SHOULD COME WITH A MERIT BADGE.**

The magic of the Matrix is that it can handle pretty much whatever life throws your way. Night out on the town? The Matrix has room for five. Moving on to bigger and better things? Fold down the 60/40 split rear seats and you've now got cargo space for everything –

Below: Where there's a will, there's a seating configuration, thanks to the Matrix 60/40 split fold-down rear seat and fold-flat front passenger seat.

1.506 cu.m (53.2 cu.ft.)<sup>1</sup> – kitchen sink included. Fold down the front passenger seat and suddenly you can haul things over 2.438 m (8 ft.) long with the tailgate closed. Think of the possibilities. Pump up the volume – suddenly all the road's a stage. The Matrix XRS features an in-dash, 6-disc CD changer audio system with 6-speakers. It even has a 115 V power outlet for you and your laptop to stay connected. Truth is, you won't find a more

versatile vehicle on the road than the Matrix – scout's honour.

<sup>1</sup> See Specifications section for more information on cargo hauling.

Preceding spread: Matrix XRS shown in Silver Streak Mica.

**MATRIX XRS THE ART OF BEING SEEN AND NOTED.** Right from the get-go, the XRS, with its high performance 1.8 Litre, 4-cylinder, 164 hp engine, means business. Impressive creature comforts such as a 6-speaker, AM/FM stereo with an in-dash, 6-disc CD changer, a leather-wrapped steering wheel and shift knob, interior chrome trim, A/C and keyless entry are standard equipment. As well, the XRS has an Antilock Braking System (ABS) and a 6-speed manual transmission. Handling is a dream. Tight, quiet and very responsive. Matrix XRS. Great-looking. Beautifully appointed. A 5-door vehicle that drives as good as it looks.

*Above: Matrix XRS shown in Silver Streak Mica.*

**HOW DO YOU SPELL "VERSATILE"?** Your very first reaction when you slide behind the wheel is that the Matrix XR has a personality all its own. Space and comfort are high priorities in the XR. Features abound – like the height-adjustable driver's seat, A/C, cruise control, keyless entry and the futuristic, beautifully thought-out dash with metallic accents – very much in keeping with the XR's lines. It's definitely worth mentioning that the XR is available in front or four-wheel drive, with a very responsive 1.8 Litre, 4-cylinder, in-line engine that nets out at 126 hp (FWD) and 118 hp (4WD). If you're looking for versatility, look no further.

*Above: Matrix XR shown in Indigo Ink.*

**MATRIX XR**

**PERFORMANCE:** A lift of the hood unveils yet another Matrix revelation: the 1.8 Litre, 4-cylinder, 126 hp (FWD) and 118 hp (4WD) engine that accounts for Matrix's noteworthy responsiveness. XRS owners can look forward to an imposing 164 hp Matrix adventure.

**SAFETY:** Besides the emblem on the hood, the style, the versatility and the devotion to detail, there is one other element that makes the Matrix a true Toyota: the respect for your safety. That's why every Matrix has dual-stage airbags, anchor points for child restraint seats, child protector rear door locks and an engine immobilizer.

Below is a more extensive list of some of the Matrix's safety-related features.

#### MATRIX SAFETY FEATURES

- Front & rear energy-absorbing crumple zones.
- Side-impact door beams.
- Trunk entrapment release.
- Antilock Braking System (ABS) on XRS FWD, all 4WD (optional on XR FWD).
- Driver & front passenger airbag Supplemental Restraint System (SRS).
- Front passenger airbag status indicator.
- Energy-absorbing steering column.
- Front seatbelt pre-tensioners and force limiters.
- 3-point front seatbelts with adjustable seatbelt anchors, driver's Emergency Locking Retractor (ELR) & passenger side Automatic / Emergency Locking Retractor (ALR/ELR).

**MATRIX TRD SPECIAL EDITION.** Functionality has never looked better with TRD Special Edition features which

include unique 17-inch alloy wheels, chrome door sill plates, spoiler, fog lamps, bumper protector, TRD exhaust tip and TRD decal. And once inside, enjoy the Panasonic 200-watt audio system with AM/FM/CD/MP3 player with 4-speakers.

Truly surprising is the number of standard features on all Matrix models, such as metallic dash accents, rear window defroster, coloured bumpers, accessory power outlets and a flip-up rear hatch window – to name but a few. All the defining qualities of the Matrix line are here: comfort, ease of handling, loads of space and, of course, the Matrix's trademark functionality.
