Model #: P561-100-EZ

Easy Pull All-in-One Cable/Connector Kit - DVI-D Single Link Monitor Cable w/ Connectors (DVI-D M to DVI-D M) - 100 ft.

Highlights

- Two-piece design runs through conduit or other tight areas
- Threaded circular DIN connector provides secure reattachment
- Superior-molded cables with foil and braid shielding for maximum EMI/RFI protection
- Requires B120-000 DVI signal booster

Description

Tripp Lite's 100 ft. DVI-D Single Link Easy Pull Monitor Cable with Connectors makes running long length video cables a snap. The pull-apart design allows the cable to be run through conduit or other tight areas that a DVI connector wouldn't fit through. Diameter of the circular DIN end is only 7/8". Circular Easy Pull connector is threaded to ensure maximum security once the cable is reattached. Double shielding (foil and braid) provides maximum EMI/RFI protection. Both DVI-I male ends are molded and have integral strain relief to ensure long life. UL20276 Digital Video Cable supports 1080p. Requires B120-000 DVI signal booster. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

Applications

- Suspended ceilings, walls, conduit or anywhere too small to pull a standard DVI cable through.

Package Includes

- 100 ft. Male/Male Easy Pull DVI-D Single Link Monitor Cable w/ Connectors
- Requires B120-000 signal booster (not included)
