Tripp Lite's 10 foot SVGA/VGA Right Angle monitor replacement cable is the gold standard in video cables. One end features a super-slim right angle connection for tight spaces, i.e., behind a PC. The mini-coax (RGB) and paired video wire construction delivers superior signal quality. Gold plated connectors and gold plated copper contacts ensure excellent conductivity. Double shielding (foil and braid) provides maximum EMI/RFI protection. Both high density DB15 male connectors are molded and have integral strain relief to ensure they last a lifetime.
