

ViewSonic® CRT Monitors

July 2008

E70fB

The right monitor for the job.

ViewSonic has the right CRT monitor for your needs and your budget. A monitor from the **E² Series** is the perfect choice for home, small office, student and typical Internet users. They are easy on the eyes and your budget. Our **Graphic Series** CRT monitors provide the advanced graphics/gaming user with sharp text and crystal-clear images.

All ViewSonic CRT monitors deliver an exceptional price/performance combination that makes ViewSonic a leader in display technology.

The right technology.

ViewSonic's **SuperClear®** technology incorporates enhanced phosphor treatment and optimized glass filter to deliver vivid colors and image clarity. And, ViewSonic's award-winning **PerfectFlat®** screen technology provides distortion-free viewing and an advanced screen treatment for hours of comfortable viewing.
