Digital Photo Frame
User Guide

Model No. VS14962

Compliance Information

FCC Statement

This device complies with part 15 of FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: You are cautioned that changes or modifications not expressly approved by the party responsible for compliance could void your authority to operate the equipment.

For Canada

- This Class B digital apparatus complies with Canadian ICES-003.
- Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

CE Conformity for European Countries

 The device complies with the EMC Directive 2004/108/EC and Low Voltage Directive 2006/95/EC.

Following information is only for EU-member states:

The mark is in compliance with the Waste Electrical and Electronic Equipment Directive 2002/96/EC (WEEE).

The mark indicates the requirement NOT to dispose the equipment including any spent or discarded batteries or accumulators as unsorted municipal waste, but use the return and collection systems available.

If the batteries, accumulators and button cells included with this equipment, display the chemical symbol Hg, Cd, or Pb, then it means that the battery has a heavy metal content of more than 0.0005% Mercury or more than, 0.002% Cadmium, or more than 0.004% Lead.

Declaration of RoHS Compliance

This product has been designed and manufactured in compliance with Directive 2002/95/EC of the European Parliament and the Council on restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directive) and is deemed to comply with the maximum concentration values issued by the European Technical Adaptation Committee (TAC) as shown below:

Substance	Proposed Maximum Concentration	Actual Concentration
Lead (Pb)	0.1%	< 0.1%
Mercury (Hg)	0.1%	< 0.1%
Cadmium (Cd)	0.01%	< 0.01%
Hexavalent Chromium (Cr ⁶⁺)	0.1%	< 0.1%
Polybrominated biphenyls (PBB)	0.1%	< 0.1%
Polybrominated diphenyl ethers (PBDE)	0.1%	< 0.1%

Certain components of products as stated above are exempted under the Annex of the RoHS Directives as noted below:

Examples of exempted components are:

1. Mercury in compact fluorescent lamps not exceeding 5 mg per lamp and in other lamps not specifically mentioned in the Annex of RoHS Directive.
2. Lead in glass of cathode ray tubes, electronic components, fluorescent tubes, and electronic ceramic parts (e.g. piezoelectronic devices).
3. Lead in high temperature type solders (i.e. lead-based alloys containing 85% by weight or more lead).
4. Lead as an alloying element in steel containing up to 0.35% lead by weight, aluminium containing up to 0.4% lead by weight and as a copper alloy containing up to 4% lead by weight.

Important Safety Precautions

Always follow these basic safety precautions when using your Digital Picture Frame. This will reduce the risk of fire, electric shock, and injury.

Warning: To reduce the risk of fire or shock hazard, do not expose this product to rain or moisture.

Warning: To prevent the risk of electric shock, do not remove the cover. There are no user-serviceable parts inside. Refer all servicing to qualified personnel.

- The Digital Picture Frame is for indoor use only.
- Unplug the Digital Picture Frame before performing care and maintenance.
- Do not block the ventilation holes on the back of the Digital Picture Frame at any time.
- Keep your Digital Picture Frame out of direct sunlight and heat sources.
- Protect the power cord. Route power cord so that it is not likely to be walked on or pinched by item places on or against it. Pay particular attention to the point where the cord attaches to the Digital Picture Frame.
- Only use the AC adapter included with the Digital Picture Frame. Using any other power adapter will void your warranty.
- Unplug the power cord from the outlet when the unit is not in use.

Cleaning the LCD Screen

Touch the screen gently.

To clean fingerprints or dust from the LCD screen, it is recommended to use a soft, non-abrasive cloth such as a camera lens cloth to clean the LCD screen.

If you use a commercial LCD cleaning kit, do not apply the cleaning liquid directly to the LCD screen. Clean the LCD screen with a cleaning cloth moistened with the liquid.

Cleaning the Digital Picture Frame

Clean the outer surface of the Digital Picture Frame (excluding the screen) with a soft cloth dampened with water.

- 11/12: Forward/Right
- 13: Setup menu

2. Main function

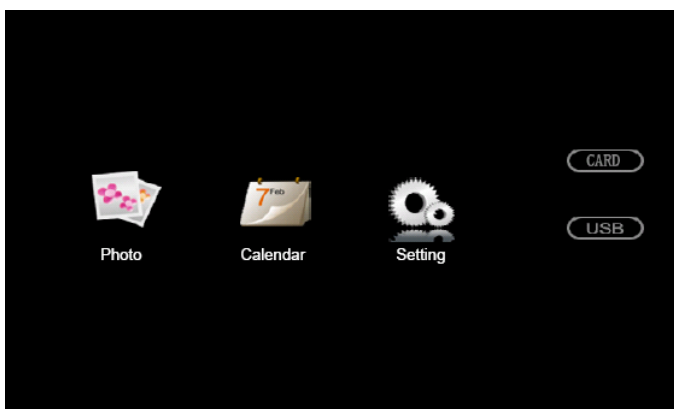

To attach the stand, screw in the stand clockwise until it is secure.

Insert an SD/SDHC/MMC or USB memory source device into an appropriate memory slot. Connect the supplied power adapter to the photo frame and to an electrical outlet.

The photo frame will power on automatically. Press “” to power on and off manually.

On the Main Menu, there are **【Photo】** **【Calendar】** **【Setting】** .

This photo frame searches the memory source device after power on and playback photos in slideshow mode if there are photos found. If there is no photo found, the Main Menu will be shown.

2.1. Photo

Insert a memory card or USB flash drive with the photo on it into the photo frame if you had not done so. Select **【Photo】** from the main menu, press the **ENTER** button, this photo frame will start slideshow automatically. Press **MENU** to display photos in a thumbnail view.

The following button functions are available while viewing photos in thumbnail and slideshow modes.

2.1.1. Browse

Buttons	Functional descriptions
	Exit to thumbnail view

	Toggle Browse and Slideshow modes

2.1.2. Slideshow

Buttons	Functional descriptions
	Exit to thumbnail view
	Previous photo
	Next photo
	--
	--
	Toggle Browse and Slideshow modes

2.2. Calendar

Select **Calendar** from the main menu, press the **ENTER** button to view the calendar. Monthly calendar mode is the default.

2.2.1. Display Mode

The date and time displayed on the calendar are the current date and time set in the system.

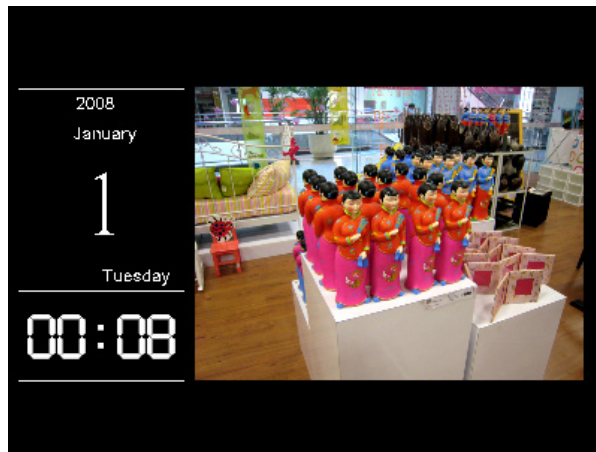

2.2.1.1 Monthly calendar

In this mode, photos are shown in slideshow on the top right.

Buttons	Functional descriptions
	Exit to the main menu
	Previous photo
	Next photo
	Previous month
	Next month
	Toggle Monthly calendar, Calendar (day), and Clock viewing modes

2.2.1.2 Calendar

In this mode, photos are shown in slideshow on the right.

Buttons	Functional descriptions
	Exit to the main menu
	Previous photo
	Next photo
	--
	--
	Toggle Monthly calendar, Calendar (day), and Clock viewing modes

2.2.1.3 Clock

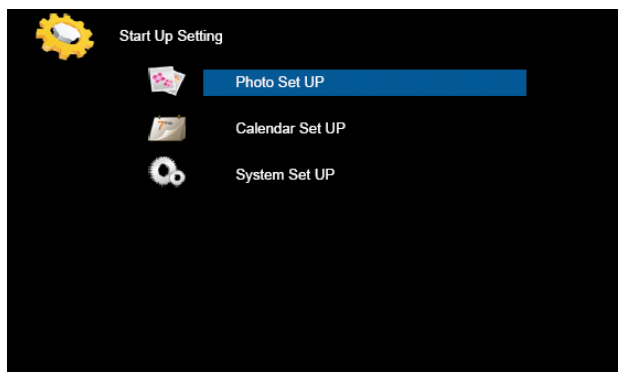

In this mode, an analog clock is shown in the center.

Buttons	Functional descriptions
	Exit to the main menu
	
	
	--
	--
	Toggle Monthly calendar, Calendar (day), and Clock viewing modes

2.3. Settings

Select **【Setting】** from the main menu, press the “**ENTER**” button or press the **【SETUP】** button on the remote control to enter the Settings Menu. The Photo, Calendar, and System settings are shown below.

Press the Up **【▲】** or Down **【▼】** button to highlight a setting category, then **【ENTER】** button to enter the setup submenu.

Buttons	Functional descriptions
	Exit to Main Setting Menu
	Decrease the setting value
	Increase the setting value
	Move up or to the next menu entry field
	Move down or to the previous menu entry field
	Enter the setup submenu

2.3.1. Photo Setting

Press the Up [▲] or Down [▼] button to highlight Photo Setting, then [ENTER] button to enter the setup submenu. Press the Left [◀] or Right [▶] button to change the entry field. Press the Up [▲] or Down [▼] button to move between entry fields.

Photo Setting Options	Functional descriptions
Display Mode	Photo startup modes: Slideshow, Thumbnail, or Browse Mode
Display Ratio	Set the display scaling: Fit to Screen, Crop to Fill, or Full Screen
Slideshow Duration	Set the duration time for slideshow: 5sec, 15 sec, 30 sec, 60 sec, 5 min, or 15 min
Slideshow Repeat	Repeat modes: Repeat (on) or Once (off)
Slideshow Effect	Set the slide transition effects: Random, S-Curve, Partition, Erase, Blind, Random line, Grid, Cross, Spiral, Rectangle, or Close
PhotoFrom	Source settings: Current Directory or All Directories

Limited Warranty

VIEWSONIC Digital Photo Frame

What the warranty covers:

ViewSonic warrants its products to be free from defects in material and workmanship, under normal use, during the warranty period. If a product proves to be defective in material or workmanship during the warranty period, ViewSonic will, at its sole option, repair or replace the product with a like product. Replacement product or parts may include remanufactured or refurbished parts or components.

How long the warranty is effective:

ViewSonic Digital Photo Frame are warranted for 1 year for labor from the date of the first customer purchase.

Who the warranty protects:

This warranty is valid only for the first consumer purchaser.

What the warranty does not cover:

1. Any product on which the serial number has been defaced, modified or removed.
2. Damage, deterioration or malfunction resulting from:
 - a. Accident, misuse, neglect, fire, water, lightning, or other acts of nature, unauthorized product modification, or failure to follow instructions supplied with the product.
 - b. Repair or attempted repair by anyone not authorized by ViewSonic.
 - c. Causes external to the product, such as electric power fluctuations or failure.
 - d. Use of supplies or parts not meeting ViewSonic's specifications.
 - e. Normal wear and tear.
 - f. Any other cause which does not relate to a product defect.
3. Any product exhibiting a condition commonly known as "image burn-in" which results when a static image is displayed on the product for an extended period of time.

How to get service:

1. For information about receiving service under warranty, contact ViewSonic Customer Support (please refer to Customer Support page). You will need to provide your product's serial number.
2. To obtain warranted service, you will be required to provide (a) the original dated sales slip, (b) your name, (c) your address, (d) a description of the problem, and (e) the serial number of the product.
3. Take or ship the product freight prepaid in the original container to an authorized ViewSonic service center or ViewSonic.
4. For additional information or the name of the nearest ViewSonic service center, contact ViewSonic.

Limitation of implied warranties:

There are no warranties, express or implied, which extend beyond the description contained herein including the implied warranty of merchantability and fitness for a particular purpose.

Exclusion of damages:

ViewSonic's liability is limited to the cost of repair or replacement of the product. ViewSonic shall not be liable for:

1. Damage to other property caused by any defects in the product, damages based upon inconvenience, loss of use of the product, loss of time, loss of profits, loss of business opportunity, loss of goodwill, interference with business relationships, or other commercial loss, even if advised of the possibility of such damages.
2. Any other damages, whether incidental, consequential or otherwise.
3. Any claim against the customer by any other party.
