

VEB612

eBOOK READER WITH FILE FORMAT FREEDOM

Open book.

ViewSonic's new VEB612 eBook sets the new standard for electronic readers. You can easily download and transfer your favorite digital books from a wide variety of sources, not just one. The eBook's versatile, open standard design supports the following formats (ePub, PRC, PDF, HTML, TXT), as well as MP3 audio files. With 512MB of internal memory and the option for adding additional 4GB SD cards. Super long battery life will keep you reading over 8,000 pages between charges. The leatherette cover completes the package and helps prevent the screen from damage. Great for students, book lovers and business travelers – simply take all your favorite books on the road with you.

> Stylish and light weight

Slim design fits in purse or backpack so it's easy to bring anywhere

> Easy on the eyes

Non-flickering screen has better contrast than an LCD panel

> Big view

Wide viewing angle – almost 180° on a 6" diagonal 800x600 SVGA resolution

> See clearly now

With 166 DPI, the E-Ink screen gives you reading characteristics like paper – even better in sunlight

> Format options galore

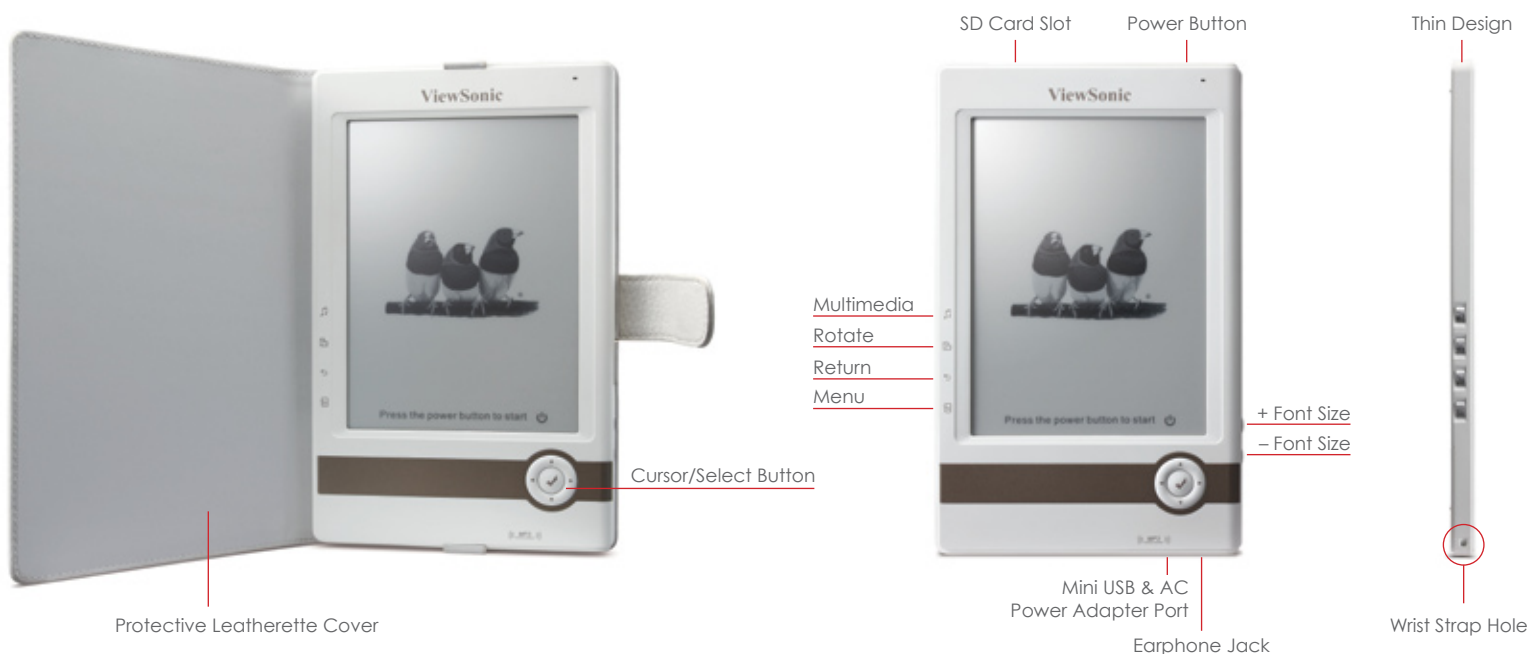

Supports: PDF, TXT, ePub, HTML, PRC and MP3 audio files

> Power to go

Read over 8,000 pages after one time charge
