visioneer®
9450 USB

The Visioneer 9450 USB scanner is the perfect tool to turn paper documents into electronic files and put them to work. The built-in Automatic Document Feeder (ADF) holds 50 pages* and scans up to 8 pages per minute in 200 dpi black and white mode. The de facto industry leading applications for creating a paperless office are included free with the 9450 USB, including ScanSoft's award-winning PaperPort Deluxe 8.

Organize and manage all your paper-based information from one easy-to-use screen with ScanSoft PaperPort Deluxe

Organize
- Simply drag and drop your scanned documents to and from color-coded folders on your desktop making filing and retrieving paperwork a cinch.

Fax and Email
- Just drag any scanned document to your fax or email icon, select recipient's name from your address book, and PaperPort automatically launches your e-mail program (Outlook, Outlook Express, Eudora, Lotus Notes, and others) with documents attached as Group 4 TIF, PaperPort, or many other formats!

Annotation Tools
- Add notes, arrows and annotations to your scanned documents.

ScanSoft PAPERPORT DELUXE 8.0
The fastest way to visually organize photos, scanned and electronic documents. Provides thumbnails for popular electronic files with built-in viewers for PDF, Word, Excel, and Word Perfect.

ScanSoft TextBridge PRO
Quickly turns scanned documents into editable, formatted text. You can use the text in virtually any word processing, desktop publishing, or web publishing program.

ArcSoft photo Impression
Edit, retouch, and enhance images simply and quickly. Apply special effects with point-n-click interface. Numerous templates for cards and calendars are included.
