

L Series 36" Built-In Single Oven

Its unframed door design gives the Wolf L Series 36" built-in single oven a contemporary look—in classic stainless steel or our exclusive premium finishes, platinum and carbon stainless. Dual convection delivers superior results and faster cooking; the temperature probe gives you fine control. The easy-to-use electronic control panel rotates into position. When not in use, it's hidden behind a stainless steel panel.

Model SO36U/P shown—unframed door style with platinum stainless steel finish.
