

Our Riverwoods lecterns are crafted from the finest solid hardwoods, beautifully finished with a durable multiple-coat clear lacquer to preserve the natural wood and enhance the grain. The built-in 50-watt sound system will deliver your message with clarity & impact. A complete line of custom installed options and accessories is available to tailor the lectern and sound system to your needs. Natural Oak is our standard finish, other finishes are available; please call for pricing. **All models are available without a sound system. Please note, because our Riverwoods collection is custom built, orders are non-cancelable.**

Designed and built to meet the most demanding requirements This beautifully hand crafted Multimedia lectern will add beauty and style to any decor. Setup is a breeze. All of your equipment stays connected, secure, and ready to use on a moments notice. There is ample room for any equipment you might need for your professional presentation.

Our standard Ambassador is crafted from natural Walnut finished with clear lacquer. It includes 4 sturdy casters (2 locking) and an equipment bay with two rear (presenter's side) doors with locks & pulls, a center divider and left-side shelf.

Other available options include different woods, finishes, drawers, tops and even a motorized lift to accommodate those of different height. We can also make this design adhere to the American Disabilities Act so it can be used by anyone.
