HOW TO USE YOUR TOASTER OVEN

- Your new toaster oven has been designed for toasting, baking and broiling.
- For indoor domestic use only.
- Your toaster oven should not be used for any other applications.
- Before first use, wipe the surface of the cooking plates with a damp cloth and dry with cloth or tissue. Then apply a light coating of butter, margarine or cooking fat to the cooking plate.

Operation (figure A)

Turn the cooking mode selector knob to the OFF (0) position.

1. Off (0)
2. Toast (Top element on) 
3. Broil (Lower element on) 
4. Bake (Both elements on) 

- Place the Oven on a flat, level surface.
- Place the ingredients in the oven & close the door.
- Connect the appliance to an electrical supply.
- Rotate the timer dial (3) to the required time setting.
- The Oven will commence cooking, and will switch off once the set time has elapsed, or the unit is turned off at the cooking mode selector knob or at the electrical supply. Alternatively, the timer knob can be turned back to the OFF (0) position.

Toasting

- Turn the cooking mode selector knob (1) to Toast.
- Set the timer.
- The oven will be automatically shut off when the selected time has elapsed.
- A signal bell will ring at the end of the toast cycle. When toasting, the top heating element will glow to different degrees of red and orange.
- Do not use the appliance near or below combustible material, such as curtains.
- Do not leave the unit unattended in use.

Baking and Heating

- Turn the cooking mode selector knob(1) to bake.
- Always preheat for 5 minutes.
- Turn the timer(3) to the required time setting.
- When baking, both the upper and lower heating elements will cycle on and off during baking to maintain the selected temperature.
- A signal bell will ring at the end of the baking cycle.

Broiling

- Select the broil option.
- Do not preheat.
- Turn the cooking mode selector knob(1) to broil.
- The heating elements will cycle on and off.
- Always use the shelf(5) and drip tray(7) provided.

Tray position

- Do not cover the drip tray with aluminum foil, as this prevents fats and juices from dripping into the tray and could cause a scalding hazard. This could also cause the appliance to overheat.
- Use upper position for faster browning and broiling times, but be sure to allow at least 1 inch between the food and heating elements.
- Use lower position for longer broiling times or for delicate foods (such a fish or chicken) when you want less browning.
- Open the door completely to pull out the shelf. Be sure to use protective gloves to prevent burns. Wash the shelf in hot, sudsy water or in a dish washer. To remove stubborn spots, use a polyester or nylon mesh pad (Fig. E, F, H).

HOW TO TAKE CARE FOR YOUR TOASTER OVEN

Cleaning your oven

- Before cleaning, be sure the Oven is off, unplugged, and cool.
- Only the shelf(5) and tray(7) are dishwasher-safe.
- To clean the outside and the inside appliance with a damp cloth. Make sure that the appliance is dry on the inside and the outside before use.
- Do not use any type of cleaning agent or cleaning pad unless recommended in this manual.
- A steam cleaner is not to be used to clean this appliance.
- Don't touch the heating elements, even for cleaning!
- The best way to keep your Oven clean is to wipe away spills, spatters and crumbs after each use.

CAUTION: Before cleaning the inside or outside of your Oven, always turn the Oven off, unplug it and let it cool.

Glass door

The Glass Door should be cleaned with a damp, sudsy cloth. Dry thoroughly before using the Oven. Do not use a spray glass cleaner.

Crumb tray (Figures B, C, and D)

- To open, tip the oven onto its back and gently pull down on the Crumb tray knob. Wipe away crumbs and food spills with a slightly damp cloth.
- Wipe the crumb tray with a damp cloth. Be sure to dry it thoroughly and close again before using the oven.

Metal, oven proof glass or glass ceramic bakeware may be used in your Oven.

Follow manufacturer's instructions. When using deep ovenproof glass or glass ceramic containers, make sure the top edge of the container is at least 1" away from the upper heating elements.

Many prepared frozen foods are packaged in non-metallic containers suitable for use in microwave ovens as well as regular ovens. Check package instructions to determine if the container is suitable for use in a regular oven.

- When using these containers in a toaster oven, always allow oven to preheat for about 5 minutes placing the ingredients inside.
- Remove any plastic wrapping and plastic or cardboard covers which may be suitable for use in microwave ovens only.
- Place the container holding the food to be cooked on the Oven Pan and cook per instructions or until food is thoroughly heated.
- Never use these containers when broiling or top browning.
- Care must be taken when opening the appliance a hot air may escape on opening.

Some other items which should NEVER be used in your Toaster Oven:

- Glass lids on glass or metal bakeware.
- Air-tight packages such as sealed pouches or unopened cans.
- Plastic wrapping or paperboard covers.
- Containers larger than those recommended (larger and higher containers will interfere with air circulation).
- Containers with specific warnings against use in ovens.

Protecting the environment

Separate collection. This product must not be disposed of with normal household waste.

Should you find one day that your Black & Decker product needs replacement, or if it is of no further use to you, do not dispose it off with other household waste. Make this product available for separate collection.

Separate collection of used products and packaging allows materials to be recycled and used again. Use of recycled materials helps prevent environmental pollution and reduces the demand for raw materials.

Local regulations may provide for separate collection of electrical products from the household, at municipal waste sites or by the retailer when you purchase a new product.

Black & Decker provides a facility for the collection and recycling of Black & Decker products once they have reached the end of their working life. To take advantage of this service please return your product to any authorised repair agent who will collect them on our behalf. You can check the location of your nearest authorised repair agent by contacting your local Black & Decker office at the address indicated in this manual.

حماية البيئة

يجب عدم التخلص من هذا المنتج مع بقية النفايات المنزلية.

إذا وجدت في يوم من الأيام أنك بحاجة لشراء جهاز بلاك أند ديكر جديد، أو لم تعد بحاجة للجهاز القديم، لا تتخلص منه مع النفايات المنزلية الأخرى. جهز هذا المنتج للإستلام المنفصل.

الإستلام المنفصل للمنتجات المستعملة ومواد التغليف يسمح بإعادة تصنيع المواد واستعمالها من جديد. إستعمال المواد المعاد تصنيعها يساعد على منع التلوث البيئي ويقلل الطلب على المواد الأولية.

الأنظمة المحلية قد تنص على ضرورة الإستلام المنفصل للمنتجات الكهربائية من المنازل، في مواقع البلدية للنفايات أو بواسطة بائع التجزئة عندما تشتري منتجاً جديداً.

توفر بلاك أند ديكر التسهيلات لاستلام وإعادة تصنيع منتجات بلاك أند ديكر عندما تصل إلى نهاية حياتها العملية. للإستفادة من هذه الخدمة، يرجى إعادة جهازك إلى أي وكيل تصليح معتمد والذي سيقوم باستلامه بالنيابة عنا. يمكنك معرفة موقع أقرب وكيل تصليح معتمد بالنسبة لك بمراجعة مكتب بلاك أند ديكر المحلي على العنوان المبين في هذا الكتيب.

BLACK & DECKER HOME APPLIANCE 2 YEAR WARRANTY

Black & Decker provides a 2 Year Warranty for this product from the date of purchase against defects due to defective materials or workmanship. Motor/element burn-outs due to voltage fluctuations are not covered under warranty. If the product should become defective within the warranty period, Black & Decker will repair or (at Black & Decker's discretion) replace it free of charge.

The warranty provisions do not cover failure due to accident, misuse, abuse, negligence or non observation of local regulations on the part of the user. Equally, the warranty provisions do not apply where the appliance has been serviced by a person not authorized by Black & Decker or serviced with non-approved parts and this has contributed to the fault of the product. Superseded models without a replacement equivalent will either be repaired or (at Black & Decker's discretion) replaced with another product of similar retail value.

UPON PURCHASE

Fill in the Warranty Registration Card with the original Authorized Dealer's stamp (indicating date of purchase) and attach your purchase receipt to it. Retain in case of claims in the future.

MAKING A CLAIM

Take your defective product together with the Warranty Registration Card & purchase receipt to your local service Centre. You can either do this in person or send it freight prepaid. If mailing or shipping your appliance, ensure that it is packed carefully in a sturdy carton with enough packing material to prevent damage. Include a note describing the problem to the service Centre and be sure to give your return address.
