

Superior Stereo Headphones

Model SA-740

1. Noise-reducing earcups lower ambient noise so volume does not need to be as high, as recommended by audiologists for hearing safety. Made with rugged ABS plastic to withstand high-use situations
2. Recessed wiring resists prying fingers for added classroom safety
3. Replaceable over-the-ear-fitting leatherette cushions
4. Adjustable "comfort-fit" leatherette headband wrapped around a polished steel band for durability
5. Permanently attached cord with reinforced "strain" connection resists accidental pull out
6. Lengthy 8' straight cord with 3.5mm mini plug and snap-on 1/4" adapter fits all media players
 - Windows and Mac compatible
 - One year warranty for school use - unlike headphones purchased at consumer electronics stores whose warranties would be voided if used in schools

Our highest quality headphones, this high fidelity stereo unit is designed for music appreciation labs, ear training and library listening centers and any other situation where superior quality headphones are needed.

"Project Intercept"
