<sup>(c)</sup>GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance.

<sup>(c1)</sup>Actual bus speed is less. Listed bus speed represents the equivalent effective throughput for data. <sup>(d)</sup>Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. Note- this disclaimer affects system memory, and Graphics. <sup>(e)</sup>1 GB = 1 billion bytes. Actual formatted capacity is less. <sup>(f)</sup>

High-Definition content (e.g. WMV HD files) is required to view high-definition images. Most current DVDs do not provide high-definition images. <sup>(g)</sup>When operating in High Speed Mode, this Wi-Fi® device achieves an actual throughput of up to or greater than 34.1 Mbps, which is the equivalent throughput of a system following 802.11g protocol and operating at a signaling rate of 125 Mbps. Actual throughput will vary depending on environmental, operational and other parameters. <sup>(h)</sup>Actual data transfer rates will vary. <sup>(i)</sup>Maximum achievable download speeds are currently unknown, may not reach 56Kbps and will vary with line conditions. Upload speeds are less and also will vary. <sup>(j)</sup>Weight will vary by configuration. <sup>(k)</sup>Internet access requires payment of additional fees or subscription for use. Special Offers do not include local telephone company charges, if any, or applicable taxes. Any long distance charges incurred will be the responsibility of the customer. Please make sure your access number is local. A valid credit card is required to initiate the service. This offer is valid in the U.S.A. only. Additional terms and conditions may apply; see particular offers for details. Certain state specific restrictions and exclusions apply. <sup>(l)</sup>Internet Access is required. <sup>(m)</sup>Downloading or use of the Apple iTunes Music Store requires separately purchased Internet service. <sup>(n)</sup>Intended for your original content and other lawful uses. <sup>(w)</sup>The Microsoft® Office Student and Teacher Edition 2003 is a trial version; functionality is reduced after 60 days. The full version is sold separately.
