DESCRIPTION

The BI Series meets the need for a very low brightness wall bracket. This specification grade wall bracket with an injection molded refractor produces effective up, down or combination lighting. This energy efficient luminaire offers up lighting, multi-level switching and convenience outlets as options. These design features ensure that the BI Series will provide ease of use and comfort. The BI Series features specification efficiency in a low profile wall bracket. The Series is an excellent choice for dressing rooms, lavatories, hospital and nursing homes, stairways and task lighting.

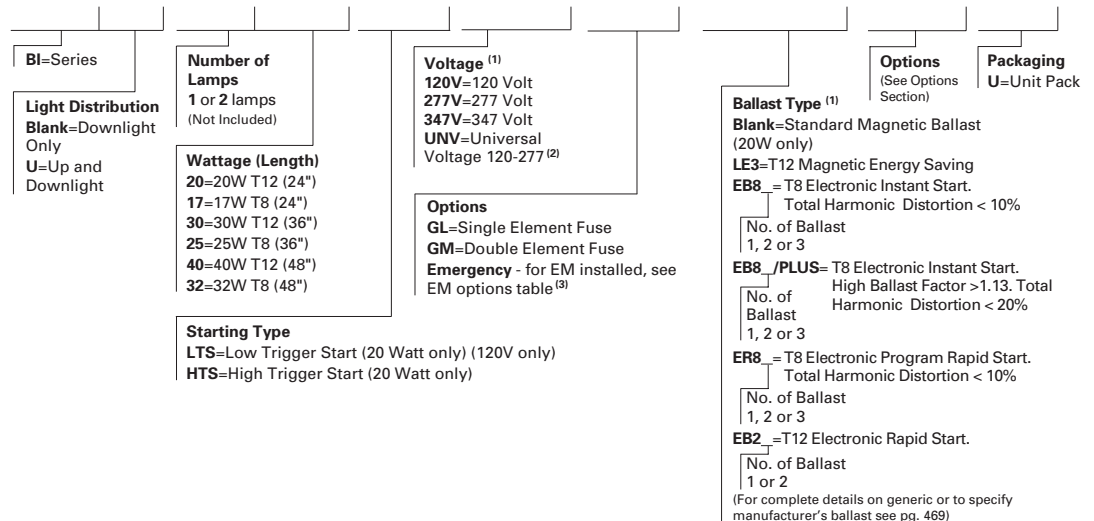

DIMENSIONS

NOMINAL LENGTH	A	B
