

# BacPac Mission XL backpack

**Comfortable, trendy, and spacious 17" notebook backpack**

With the BacPac Mission XL, we are now offering one of our most successful backpack styles in size XL. Notebooks up to 17" can easily be stowed in this comfortable backpack which comes in a modern, sporty design.

The large main compartment provides space for documents and mobile equipment, whilst the workstation creates order for mobile phone, pens, keys etc, and the front pocket gives space for the power supply unit and cables. A protected multimedia compartment with water-resistant cable opening for headphones makes it easy to listen to a CD or mp3 player when on the move.

The effective high density foam cushioning and notebook strap mean that the Notebook is protected from bumps, knocks and sliding around in transit. The water resistant durable material offers additional protection from the elements, and reflective material on the side provides safety for the wearer in the dark.

For comfort, Dicota have included ergonomic shoulder straps, active breathable back cushioning, and adjustable chest and hip straps with cushioned flaps.

Available in Black.
