- 6-cell Li-ion (4400 mAh) Battery
- 6.6 lbs. | 3.0 kg (system unit only)

Selling Points

1 Amazing Performance, Effortless Connectivity

With power-optimized enabled dual-core technology and exceptional energy efficiency, the **Intel® Core™2 Duo processor** excels running the most intense applications.

Enjoy ultra-mobility and freedom with the latest **Draft-N Wi-Fi CERTIFIED®** and Gigabit Ethernet connectivity's.

Breeze through multitasking requirements with **4GB DDR3 memory** and quickly retrieve and store files on the massive **500GB hard drive**.

With the latest **Intel® graphics** enjoy fabulous multimedia playback with crystal-clear images with brilliant color along with the performance for effortless multitasking.

2 Thrilling Entertainment

1**5.6" HD Ultrabright™ LED-backlit Display** (**16:9 aspect ratio)** plays the latest high-resolution movies, digital content and media for a true cinematic view. Built-in, high-def webcam and microphone make it easy to set up video conferences or video chats with friends wherever you are.

Immerse yourself into your entertainment! **Dolby® Sound Room®** trumpets theater-caliber sound with just two speakers. **Dolby® Headphone** delivers spectacular surround sound from any pair of speakers or headphones.

Display HD movies and the highest-quality content on your big screen TV or external LCD with a single cable and the **HDMI port**.

3 Exceptional Control Over Entertainment, Work and Life!

Gateway makes it easy to save energy with a single touch. Just push the **Gateway PowerSave Button** to put your PC into power saving mode extending your battery life when mobile.

Seamlessly back up your data with one touch of the **Gateway MyBackup Button** which duplicates files to another location quickly and easily.

Pinch, flick and swirl your fingers on the **Multi-Gesture Touchpad** for an intuitive navigation of web pages, photos, spreadsheets and more.

Conveniently download digital media with the **Digital Media Reader** and burn DVDs and CDs for friends with the **slot load Optical Drive**.

Prevent accidental cursor movement from your palms and wrists with the **Touchpad Lock button** disabling touchpad use.

Product specifications subject to change without notice

Actual product may vary from image shown

Accessible capacity varies; MB = 1 million bytes; GB = 1 billion bytes

See important Microsoft activation requirements at www.gateway.com/ms-req. Some features available in premium editions of Windows Vista™ may require additional hardware.

(1) Overall system performance is based on several PC attributes. GHZ, processor clock speed, is one of the attributes.

(2) Up to 1GB of available system memory may be allocated for system resource requirements.

(3) Shared system memory may be allocated to support integrated graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of dedicated and shared system memory utilized by the graphics solution and resources required by the operating environment.

(4) 1 GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer eRecovery Management utilizes up to 8 GB (10 GB with Microsoft® Works 8.5 with Office Home and Student 2007 Trial) of the stated hard disk capacity as dedicated backup space.

(5) Battery life varies depending on product specifications, computer settings, and applications or features launched. All batteries' maximum capacity diminishes with time and use.

(6) Limited warranties and service agreements apply; visit gateway.com or call 1-800-846-2000 for a free copy. Service agreements are issued and performed by third-parties. May not be available in all locations. Phone charges may apply for tech support.

(7) 60-days of complimentary subscription. Internet connection required to start trial
