Making Connections

Connecting to Antenna/Cable TV

Antenna

ANT jack
(VHF/UHF IN Jack)

Antenna/CATV
coaxial cable

1. Connect one end of the VHF/UHF (Antenna) or CATV cable to ANT Jack (VHF/UHF IN Jack) on the back of the TV.

2. Connect the other end of the VHF/UHF (Antenna) or CATV cable to the Antenna or CATV socket.
Connecting to a VCR, VCD, DVD Player, or Video Game Console

1. The illustration presented here shows you how to connect your TV to a VCR, VCD, DVD player or video game console.

2. The cables are color-coded (black, red, white, and yellow). Connect each color-coded cable to the appropriate connector on your device.

Connecting the Power Adapter

Power outlet

Power cord

DC-IN

Power adapter

1. Connect the power cord to the power adapter as illustrated.

2. Plug the power adapter connector into the DC-IN input jack on the rear panel of the TV.

3. Insert the three-pronged plug at the other end of the power cord into a power outlet.

Note :
1. For information on connecting your TV to a computer, refer to the user's manual.
2. Images are for illustration only and may vary by model or region.

A/V and Channel Setup
Watching Broadcast or Cable TV

For NTSC System Only
1. After you have made the appropriate power and source connections, press the **POWER** button to turn on your television.
2. Press the **SOURCE** button to select TV mode.
3. Press the **MENU** button to enter the OSD menu.
4. Use the **CH ▼** button to select "TV".
5. Press the **VOL +** button to enter TV setting.
6. Press the **CH ▼** button to select "TV/CATV".
7. Press the **VOL +** button to select "TV" (broadcast TV) or "CATV" (cable TV).

Selecting A/V Sources

1. Make sure your TV is turned on and a device such as a DVD player is connected.
2. Press the **SOURCE** button on the control panel to select different source signals. TV/CATV, "AV1", "AV2" or "PC" appears on the screen.
Auto Channel Setup

Please follow the instructions by using the control panel.
1. Press the **MENU** button to enter the OSD menu.
2. Use the **CH ▼** button to select "TV".
3. Press the **VOL +** button to enter the TV setting.
4. Press the **CH ▼** button until the "Auto Program" feature is selected.
5. Press the **VOL +** button to begin "Auto Program".
6. Your television will begin automatically memorizing the available channels.
