Introducing the LD2060

For those who value both quality and aesthetics.

When you are furnishing a kitchen, bedroom or office as a DIRECTV® subscriber, you have many factors to consider, and finding the ideal location for the TV is only half the challenge. You have to consider the set top box. Now, with the HUMAX LD2060 that features a built in DIRECTV® Receiver, you can turn your focus to what is important—the perfect placement for your TV. No more hiding extra cables behind bookshelves, or turning to the kitchen cabinet to change channels. Simply point the remote at the TV and click, just as it was meant to be. And of course the LD2060, combined with DIRECTV® service, delivers superb digital-quality video and audio in any environment, with an eye-pleasing design that is certain to complement—not compete—with any interior styling. Quality, aesthetics, and unmatched convenience, brought to you the “Easy Digital” way. Only from HUMAX.

DIRECTV provides a crystal-clear, 100% digital-quality viewing experience. Getting set up is easy and affordable, and DIRECTV lets you select from more than 250 available channels featuring the best pay per view events and movies, premium movie channels, sports and more.
